NEEDS WE FACE

Teacher Shortage

1,000 short by 2018
in the state of WV.

112,000 short in the nation, by 2020.
Vacancies in STEM the hardest to fill.

Addiction

21 million Americans
affected by addiction.

Only 11% receive treatment,
partially due to lack of trained addiction counselors.

WV has highest overdose fatality rate
at 52 per 100,000 people (2016).

Hearing Aids

1 in 8 people have hearing loss in both ears,
aged 12 years or older.

28.8 million Americans
could benefit from the use of hearing aids.
